Winners in the Annual Club Championship Tournament held at Falling River Country Club over the Labor Day holiday week end, left to right above, were Jerry Conner, Club Championship; James Paulette, winner in the First Flight; Floyd Williams, winner in the Second Flight; Monte Mays, winner in the Third Flight; Bill Austin, winner in the Fourth Flight; and Curtis Wooten was winner in the Fifth Flight of play.

Jerry Conner Wins FRCC Golf Championship Tournament

Approximately seventy golfers participated in the annual "Club Championship" tournament held at Falling River Country Club in a three-day event over the Labor Day week end.

For the 54-hole event, Jerry Conner posted a 227 to win the Club Championship title. Conner is the youngest player to capture this title since the organizaiton of the club. Keith Ferguson, one of the other younger golfers, came in second in the Championship Flight, followed by John Rothgeb, who took third place honors.

James Paulette, a winner of this tournament several times, posted a 229 to take first place in the First Flight of play. Ralph Harris won second place with Bob McFaden coming in for third place in this flight. In the Second Flight, Floyd Williams shot a 247 for the 54-hole tournament to take first place in his flight. Following Williams in the Second Flight, Dudley Hill came in for second place honors and Floyd Fleshman won third place in this flight. In the Third Flight of play, Monte Mays and Ray West tied for first place and in sudden-death, Mays won the honor of placing first in this flight on the first hole of sudden-death play-off. Ray West automatically placed second in the Third Flight and was followed by Tony Guill, another young golfer. In the Fourth Flight in the tournament, Bill Austin placed first with a 54-hole score of 165. Second place went to Dick Bass, with third place honors going to Steve Wilson. Curtis Wooten shot a 186 to capture first place in the Fifth Flight; Jerry Lucado placed second and Calvin Tanner placed third in the Fifth Flight.

Trophies and prizes were awarded to all winners in each of the flights.

Prizes were awarded, also, for the player getting closest to the pin on No. 3 tee. Ronnie Ranson won this honor for the play on Saturday; Tony Guthrie won for play on Sunday; and on Monday Floyd Fleshman won for being closest to the pin. For the longest drive, Tom Roberts won the prize for play on Saturday; Steve Wilson won for the play on Sunday; and Tom Roberts won again for the play on Monday.

Each year the tournaments at Falling River Country Club get more interesting and draw a larger number of golfers. This year was one of the best tournaments yet to be held. The Golf Activities Committee, W. P. Geisler, Chairman, deserves a great deal of credit for the time and effort that goes into these events.

Brief History Of Appomattox County Library

Books brought to county schools made for a lively time.

by Ronnie C. Spiggle
Chairman, Appomattox County
Library Advisory Committee

The Appomattox County Library had its beginning in the year 1936, through an idea of a circulating library. It was the outgrowth of this idea, and through the efforts of interested citizens and county officials that the Appomattox County Library as we know it today was born.

The Library was presented to the County through the generosity to the Hon. David K. Bruce of Charlotte County in April, 1939. It was organized because of the potential needs of rural teachers and students.

Preparation of the 4,780 original volumes of books began on Jan. 1, 1940. This work was completed and all books were on the library shelves on March 15, 1940. The Library was officially opened and dedicated on April 12, 1940, and despite a heavy snowfall that day, 86 guests registered for the opening. At the time of dedication of the Library, Mr. J. A. Burke was the County School Superintendent and the members of the School Board were J. O. Davidson, B. G. Anderson and T. J. Ligon.

The day after the formal dedication of the library building, 42 people visited the Library. Mrs. Lindsay Crawley became the first person to check out a book, on April 13, 1940.

During the past 35 years, we have had many efficient and capable librarians beginning with Miss Violet Ramsley (later Mrs. A. R. Harwood, Jr.), who was the first librarian and later served the library from 1962 until 1968. Other librarians have been Mrs. Carolyn Moses Lusardi of Brookneal, Louise Leath of Richmond, Irene Brooks of Gloucester, Mrs. Nadine Burnett Nixon of Lynchburg, Mary Rives Black of Pamplin, Mrs. Nellwyn O'Brien Smith of Appomattox, Mrs. Charlotte Jennings of Appomattox, and Mrs. Margaret Glover of Appomattox who has served from 1968 to the present time.

There are presently 15,000 volumes in our county library.

You can see from its history that if it hadn't been for interested public officials and citizens just like you, perhaps we wouldn't have our fine library as it is today.

If you have never visited the library, or have used it in the past but haven't been using it recently, **Stop By and Brose Around. Get Really Interested In Your Library and its Many Services.** It can open up a whole new world of enjoyment and adventure for you.

I would also like to cordially invite you all to please attend the organizaitonal meeting of the Friends of the Appomattox County Library. This meeting will be held on Sept. 8, 1975, at 7:30 p.m. in the Appomattox County High School Cafeteria. Its purpose is to continue the good work for the County Library that was begun in 1940. Please don't pass the buck on this -- we need your support, and we want your ideas! Please come, and bring your friends, too. See you there.

Registration Open For PP&K

Local youngsters will be "dusting off" their footballs and loosening up their throwing arm soon for the 1975 Punt, Pass and Kick competion as registration opened at Lawson Ford, Inc. on Tuesday.

This year the local level of PP&K will again be co-sponsored by the Appomattox Jaycees in conjunction with participating Ford Dealer in the area.

Nationally PP&K is celebrating its 15th anniversary. It is sponsored by the Ford Dealers of America in cooperation with the National Football League. Since it was started in 1961, the program has attracted more than 11.5 million youngsters -- and participation this year is expected to top the 1,200,000 mark.

Participants in the Punt, Pass & Kick program compete only against others their own age. Any youngster 8 through 13 years of age, accompanied by a parent or guardian, may register to compete in PP&K at LAWSON FORD. There is no entrance fee and no body contact during the competition. No special equipment is needed and participating does not impair a youngster's amateur standing.

Scoring is based on accuracy and range with one point added for every foot of punting, passing and kicking distance, and a point subtracted for every foot off a center line.

Twelve national finalists will compete for the National Championship in their age group during the half-time of the Super Bowl Game in Miami on January 18, 1975. Winners will have their names permanently inscribed in the Pro Football Hall of Fame in Canton, Ohio. Their trophies will be presented by Football Commissioner Pete Rozelle.

PP&K registrations will close at Lawson Ford on October 3, 1975, so please see that your youngster gets into the showroom so that he might register in time for the big local event.
